

## **DONATION POLICY**

The Donation Policy of our Company is stated in the item 5 of article 3 of the Company Articles of Association as follows:

“Provided that the principles as determined by the Capital Market Board shall be observed, the company may provide aids and donations to foundations, associations, universities and similar organizations established for social purposes within the specified principles.”

Every year, the upper limit for the donations to be made in the year is determined by the Shareholders General Assembly.
